

Greenhouses

As a company we can offer you from a wide range of different greenhouses. All calculations are made on your specific demands and will be different in each project.

Some of the items we think of are:

- Bay width (6,4 mtr / 8,0 mtr)
- Section size (3,0 mtr / 4,0 mtr / 4,5 mtr)
- Pos height (3,0 mtr / 3,5 mtr / 4,0 mtr)
- Ventilation capacity (2 pane roof opening / 3 pane roof opening)
- Addition cooling (pad & fan systems)
- Entry doors (positions, sizes and amount of doors)
